

REIKI COURSES with SUE PREADY

MCSH, Dip. GVT (BAST), MNFSH, Dip. ITEC, UK Reiki Federation Master/Teacher

THE TRADITIONAL USUI SYSTEM OF NATURAL HEALING

REIKI 1st DEGREE (Shoden) - Beginners Level

Course Content

The History & Origins of Reiki / The 5 Reiki Principles / Overview of the Chakra System / 1st Degree Attunements (4) / Hand Positions for Self-healing / Hand positions and guidance for treating others / Give & receive a seated treatment & a couch treatment / Short guided meditations / Links & resources

Course Duration & Location

Two days or equivalent (see website events page for dates). Additional course dates on request, depending on availability - please register your interest. Location: Welwyn Garden City (4 participants) and for larger groups periodically at The Strawbale Studio & Yurt, Michael's Folly, Epping Green, Herts (near Hertford) - where we can walk the woodland labyrinth together with reiki in our hearts www.bitzia.co.uk.

Course Fee

£175.00 (Venue WGC) and £195.00 (Venue Strawbale Studio) - with a £50.00 deposit payable to secure your place. If you would like to experience a Reiki 1 Retreat weekend at the Strawbale Studio, please register your interest so that a suitable date can be arranged. Option of course review days @ £25.00 per day for those who have previously trained with me and would like to revisit their practice in the company of new reiki friends. Payments by cash, cheque, PayPal or BACS.

Entry Requirements

No previous experience required. Please note that at this introductory stage of your Reiki practice, it is important that you concentrate on treating yourself, family and friends only. Treating others on a professional level at this time would be inappropriate until further experience is gained and Reiki 2nd Degree successfully completed.

Course Outcomes

On successful completion of the course, all students receive a certificate, comprehensive manual and access to ongoing practice & development opportunities. The Reiki 1st Degree (or Level 1) training provides a wonderful standalone introduction to the all-round benefits of the reiki system of healing and to acquiring the basic skills for treatment of self and others, including plants and animals.
